

End of Life documents for Legacy KCS versions

000020106 | Troubleshooting | Last updated 2026-09-10 | Communication Server

Issue

This article contains the old Kofax product lifecycle policy and End of Sale/End of Support Announcement information, which are no longer valid. The current Tungsten Automation lifecycle policy and latest Product Release and Sunset Schedules be found in the Lifecycle Policies and End of Support Dates article.

We only keep this data for historical reasons and to lookup EoS/EoL information for single components.

Solution

End of Sale/End of Support Announcement

Product	Version	Language	End of Sale	End of Support
