

How to locate the log files for the Invoices Maintenance

000022577 | Troubleshooting | Last updated 2026-09-07 | ReadSoft Invoices

Issue

How to find the INVOICES Maintenance log files.

Solution

- 1 Start the Manager module, click the Administration menu and choose Maintenance.
- 2 In the Maintenance dialog, select the maintenance plan and click Open.
- 3 Navigate to the Log file section of the maintenance plan dialog. The path and name of the log file will be displayed.

Level of Complexity

Easy

Applies to

Product	Version	Build	Environment	Hardware
INVOICES	ALL
