

The AP Essentials SSL cert will expire soon

000032397 | Reference | Last updated 2026-09-16 | AP Essentials

ISSUE

The AP Essentials production SSL certificate is expiring soon and need to be extended.

SOLUTION

Tungsten Automation updates the AP Essentials SSL certificates twice per year. Customers & Partners will be notified in advance via the Tungsten Automation Cloud Status page, and Administrators will be able to export the new certificate directly from the website.

Customers & Partners are also encouraged to sign up to receive automatic notifications from the Cloud Status page. More information can be found in the KB articles below:
